

CORRECTION

Correction to: 2020 ACC/AHA Guideline on the Management of Patients With Valvular Heart Disease: A Report of the American College of Cardiology/American Heart Association Task Force on Clinical Practice Guidelines

In the article by Otto et al, "2020 ACC/AHA Guideline on the Management of Patients With Valvular Heart Disease: A Report of the American College of Cardiology/American Heart Association Task Force on Clinical Practice Guidelines," which published ahead of print on December 17, 2020, and appeared in the February 2, 2021, issue of the journal (*Circulation*. 2021;143:e72–e227. doi: 10.1161/CIR.0000000000000923), corrections were needed.

1. On page e93, section "3.2.2. Medical Therapy," third row of the recommendation table, the LOE column read, "B-R." It has been updated to read, "B-NR."
 2. On page e129, section "7.3.4. Intervention," right column, first paragraph, the third sentence read, "Thus, the enrollment criteria in COAPT trial (LVEF between 20% and 50%, LVEDD \leq 70 mm...." It has been updated to read, "Thus, the enrollment criteria in COAPT trial (LVEF between 20% and 50%, LVESD \leq 70 mm...."
 3. On page e146, Figure 13, fourth row, the first 2 rectangles, the Class of Recommendation was "(1)". It has been updated to "(2a)". Accordingly, the color of the rectangles has been updated to gold.
 4. On page e153, in the legend to Figure 14, a footnote was added, "*See Figure 13 if valve thrombosis is suspected."
 5. On page e168, Figure 17, seventh row, the gold rectangle contained a misspelling. It has been updated to read, "Balloon commissurotomy before pregnancy (2a)."
 6. On page e184, in the section "Presidents and Staff," the credentials for Dr. St. Laurent read, "DPN, RN." They have been updated to read, "DNP, RN."
- These corrections have been made to the current online version of the article, which is available at <https://www.ahajournals.org/doi/10.1161/CIR.0000000000000923>.
